This leaves this Claimant [and the others similarly situated] here at the “Two Rivers Correctional Institution” near Hermiston, OR 97882-9419 ] WITHOUT THE ABILITY TO READ OR REVIEW the documents contained which were allegedly on the yellow flashdrive.

Claimant [and many others, similarly situated as he is], are also “Indigent”, and therefor,

un-able to retain PAID FOR COUNSEL; to represent him/them – especially in matters within the STATE OF NEW YORK.

It is therefore, 'impossible' for this Claimant [and others, similarly situated], to MAKE AN INFORMED DECISION regarding their ability TO “VOTE”, on any such proffered settlement (issue) until such time as he/we can be provided COMPETENT, FERVENT, AND INDEPENDENT COUNSEL, Ordered to be provided; BY this Honorable Court – regarding these matters, in “plain speak terms” so that we/he can then “make a cognizable decision” regarding HOW he/we wish to “Vote” on the suggested terms, proffered.

Claimant MAKES THIS TIMELY OBJECTION to this Honorable Court; seeking guidance(s), as Claimant is not a “Lawyer” nor “legally educated in such matters”, to make ANY proper or 'informed' decisions / choices, so situated and under-informed.

Claimant “Reserves all of his Rights” regarding the Claim(s) that he has submitted; which 'cost him the Life of his eldest daughter' – not a matter to be taken lightly. [RUTH ANNE ALLEE]

But for the actions of the Debtor(s); Claimant's daughter would reasonable STILL BE ALIVE.

Therefore; Claimant MUST OBJECT to ANY actions being taken, which may result in “relinquishing” any strength to his claim(s) against the Debtor(s), collectively.

Respectfully submitted by U.S. Postal (Mail) Service (as timely as was possible) for “filing” this OBJECTION [ in accordance with the “Mail-box Rule”], this 7<sup>th</sup> day of July, 2021.
